

Tracy Cole - September 2017

On a friend's recommendation, I hired Pettit and Company to deal with a legal matter that I had in March 2015. Amanda Koralewicz was the lawyer who handled my case and I found her to be extremely professional, efficient with great attention to detail. She was also a very personable woman who worked very diligently and kept me informed of everything that was happening in my legal matter. Thanks to her, I won my case in August 2015 and I was very pleased with the outcome. I would highly recommend Pettit and Company for any legal matters.
